Jim,

Could you please get a meter reading for the copier IR3025 and email it to Patty from Canon. I'm trying to get the machine on contract for repairs.

Thanks
Debbie

Hi Deborah,
This is Patty from Canon. I haven't heard anything from Suzanne regarding the meter on the other copier in the Amherst location. Do you know how else I may be able to get that read?
Many thanks
Patty

Hi Pam,

Attached is a copy of the invoice for the IR3025. We only received the one invoice as it

was a maintenance contract for the year. I haven't found an invoice for the 4570 as soon as I find the latest one I will get that over to you.

Debbie
